

## "Coins for the Cause" Fundraiser

"Coins for the Cause" was developed by the members of [BirdBoard/Parrot Land](#) as a way to collect small donations for the [StopPDD Challenge](#).

**No donation is too small for the StopPDD Challenge!**

**Just think, if every bird owner were to send a \$5 check every month!**

### The concept is simple and fun.

Download a label, print it, and apply it to a jar with tape, or you can print the label on label stock if you have some. If you use packing tape, it makes the label water proof too. :-). The jar can be any size that works for you. Some members are using left over prescription bottles, while others are using jars that they were going to recycle. Soak off the label and apply the "Coins for the Cause" label. Labels are available at our [www.stopppdd.org](http://www.stopppdd.org) site by clicking on "Coins for the Cause". Labels are available in JPEG and PDF format and there is a jar label for an event and also a jar label where money is to be collected monthly

Now place the jars on your desk or counter at home, office, or shop... Ask your veterinary office if they will allow a jar on the front desk. Ask your bird or pet supply store to place a jar by the check out counter. Pass your jar around at club meetings. Once a month, take the change from your jars and deposit it into your checking account.

Then send a check to: Avian Health Network, Inc., for StopPDD  
1448 Yellowwood Court  
Reston, VA 20190-4058

### Here are some ideas from "coin collectors"

- I use store coupons and deposit the money I save into my jar. I now think of my coupons as belonging to the StopPDD campaign.
- Put a jar in your laundry room. Every time you find money in pockets, into the jar it goes!
- I clean my purse out once a week and drop all the loose change into my jar.
- I don't have time to do this, but I want to help. We can set up a automatic monthly pledge reminder for you if you go to our website and click on "Make a Donation" and contact us under the area "Pledge your Donation"
- Message boards, Vet Offices, Bird Clubs and many other groups are doing "Coins for the Cause" as a team effort.
